SEVEN SEAS CRUISES™

AN UNRIVALLED EXPERIENCE™

DEARS,

We're delighted to tell you all about our incredible new campaign, **FREE Extended Explorations!** Unlike anything on offer before, this campaign lets you experience even more of a destination both before and after the cruise with a **FREE pre- and post-cruise land programme** on select exotic sailings.

While we normally offer a land element on either end of select voyages, guests will now be able to take advantage of two completely inclusive land programmes. In most cases, this extends holiday by three nights both before and after their sailing – that's an additional six nights of adventure, with no additional charge.

GLIMPSE OF BALINESE CULTURE

3 nights FROM BALI, INDONESIA

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

From the onset of your adventure, you'll undoubtedly find yourself adjusting to the Balinese vibe. Enhance that mood by setting out to find a traditional meal that's been influenced by Chinese, Indian, and Middle Eastern cuisine and mixed with indigenous recipes and ingredients.

On one of your exciting days in Bali, a relaxing morning will be followed by a trip to **Garuda Wisnu Kencana (GWK) Cultural Park** to marvel at the world's tallest statue of a Hindu deity, the utterly stunning GWK statue. It represents Vishnu, one of the main deities of Hinduism, riding on the back of his faithful mount Garuda, a bird-like creature who promised to serve Vishnu after the god freed Garuda's mother from slavery. At 75 metres tall, the copper behemoth is almost 30 metres taller than the Statue of Liberty, with a colossal wingspan of 64 metres.

Within GWK park is Jendela Bali, a restaurant renowned for its leafy, open-air terrace and dreamy, panoramic views of the Balinese landscape as its food. On a clear day, the island's spectacular chain of volcanoes will appear above the southern plains, and every sunset over the Indian Ocean is a crimson celebration.

You'll appreciate having a full day to yourself in a place devoted to **spiritual peace**. Conversely, an enlightening drive to Denpasar City, the current capital of Bali Province, is sure to excite on another day of exploration. At the **Bajra Sandhi Monument**, you'll admire detailed dioramas depicting Bali's long history and eventual independence from Dutch colonialism. A visit to **Badung Market** will give a glimpse of the hustle and bustle of Balinese life, and a stop at the Bali Museum will provide more insight into Bali's fascinating history.

Luxury hotel stays, transfers, select meals and tours included.

ESSENCE OF BANGKOK

3 nights FROM BANGKOK, THAILAND

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

First things first, be sure to **sample legendary Thai street food**, an essential Bangkok experience.

Your exploration of Bangkok will include an immersive coach tour, travelling through one of the largest Chinatowns in the world en route to **Pak Klong Talad, the city's primary flower market**. Tuk-tuks are a primary means of transport in Bangkok's Old City, and what better way to absorb the city like a local than in one of these iconic 3-wheeled, motorised taxis. You'll find Bangkok's must-see attraction at **Wat Pho, better known as Temple of the Reclining Buddha**, home to an immense, gold-plated Buddha that stretches 46 metres long and rises 15 metres high. A far more secular visit will be made to a shop selling high-quality Thai silk, jewellery, and local handicrafts for you to savour back home.

You'll understand why some call Bangkok 'Venice of the East' on a **captivating riverboat tour along the Chao Phaya River** and through the network of klongs (canals) in the Thonburi district. Floating grocery stores, speeding water taxis, teakwood houses built on stilts, and hidden temples are among the very-Bangkok sights you'll encounter, as are the ornately decorated longboats and barges you'll see at the Royal Barge Museum. When strolling the grounds of 79 metres **Wat Arun (Temple of Dawn)**, try to imagine the dazzling tower being crafted from the broken bits of Chinese dishes salvaged from a British shipwreck.

On another day of exploration, you'll visit the **tranquil retreat of Wang Suan Pakkad** (Palace of the Lettuce Garden), a collection of five traditional Thai-style houses and priceless Asian antiques and exquisite wood carvings.

Luxury hotel stays, transfers, select meals and tours included.

JEWELS OF HONG KONG

3 nights FROM HONG KONG

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

Spend a day at your leisure, perhaps topped off with a Cantonese, Sichuanese, Japanese or French meal in this foodie's paradise.

You'll spend a day exploring the city, where one highlight is a drive to Hong Kong Island and a **tram ride up to Victoria Peak** on the world's steepest funicular railway. Standing at 552 metres, Victoria Peak is the highest point on Hong Kong Island and offers sweeping views of the city's fabled cityscape and lush hillsides. While riding the gravity-defying Peak Tram, which opened in 1888, watch for optical illusions that make skyscrapers appear to be standing at impossible angles.

Insights into daily life may be had at an **Aberdeen fishing village**, where you'll board a sampan boat to observe a bustling waterway, and at a **local gem factory** where craftsmen proudly flash their skills. At the highly popular **Stanley Market**, browse silk garments, Chinese costume jewellery, and art. At Central District, Hong Kong's vibrant business and retail nerve centre, set sail on **a scenic cruise of Victoria Harbour**. Like many of the world's great cities, Hong Kong is best seen from the water, and you'll be rewarded with panoramic views of the skyline and the Kowloon Peninsula.

Another day features a trip to Tung Chung, a city on Lantau, Hong Kong's largest island. The landscape is lush and mountainous – you'll take in its majesty while riding **a cable car to Ngong Ping village**. Nearby, admire **Po Lin Monastery**, home to a 30 metres Buddha statue that attracts pilgrims from all over Asia.

Luxury hotel stays, transfers, select meals and tours included.

SACRED AND SCENIC TOKYO

3 nights FROM TOKYO, JAPAN

Available as a post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

An immersive introduction to Japanese religion awaits you. A scenic drive will deliver you to the **Great Buddha of Kamakura**, a 13 metres tall bronze statue of Amida Buddha that stands on the grounds of Kotokuin Temple. Designated a National Treasure by the Japanese government, it was completed in its current form in 1252 and remains a beloved destination for vast numbers of Buddhists worldwide. Not far from the Great Buddha is **Tsurugaoka Hachimangu Temple**, dedicated to Hachiman, the patron god of samurai.

There may be no greater contrast in all of Japan than the red and white **Tokyo Tower looming over Zojoji Temple**, and you'll encounter it for yourself during one of your days in this cosmopolitan capital. Located in the centre of pulsating Tokyo, Zojoji is the main temple of the Jodo (Pure Land) sect of Buddhism founded in 1393. A walk to the Eiffel Tower-inspired lattice tower, which stands nearly 335 metres and is the second tallest artificial structure in Japan, rewards with a panoramic view of the city.

Another day features a visit to **Ueno Park**, built-in 1873 upon the site of the 1868's Battle of Ueno between the Imperial forces and the Shogunate. Today, the park contains museums, temples, and shrines, most of which have been designated National Monuments. The park is popular with locals for its thousands of cherry trees that bloom in late March and early April. A stroll past vendors selling dried food, spices, fresh fish and clothes on nearby Ameya Yokocho Street is a wonderful slice of Japanese life.

Luxury hotel stays, transfers, select meals and tours included.

VIBRANT TOKYO

3 nights FROM TOKYO, JAPAN

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

A day of leisure will allow you to get acquainted with Tokyo; a day of exploration is then sure to amaze. In **Tokyo's 'old town' of Asakusa**, take in the grandeur of **Sensoji**, the city's most beloved Buddhist temple. Stroll **Nakamise-Dori (Street of Inside Shops)**, past vendors selling traditional food, souvenirs and handmade crafts. Take in the history of **Edo Tokyo Museum**, which charts the rise of Tokyo from a small fishing village called Edo through to today's metropolis. In the evening, recall Anthony Bourdain's proclamation – "If I had to eat only in one city for the rest of my life, Tokyo would be it." – as you consider a multitude of dining options.

Another of your days brings a view of Tokyo from a very modern perspective. Odaiba is a man-made island created by massive landfills, featuring many hypermodern and strange buildings memorably described as the result of a young child's imagination. At seemingly every turn you'll be intrigued by structures that hail the future rather than the past, none more so than **the headquarters of Fuji Television**, where extraordinary views of Tokyo may be had from its observation deck. The **glittering Ginza** area will satisfy all possible shopping cravings, while a visit to the **Imperial Palace Plaza** – home to Japan's emperor and empress – will conjure the **mystique of Japan's samurai warriors**.

Another day of exploration includes a **visit to a shrine dedicated to Emperor Meiji**, the father of modern Japan, which stands in a dense forest glade of some 120,000 trees of 365 different species. No place better exemplifies Tokyo's contrasts than the nearby **Hamarikyu Garden**, an Edo Period Japanese garden surrounded by the Shiodome district's skyscrapers.

Luxury hotel stays, transfers, select meals and tours included.

DISCOVER SINGAPORE

3 nights FROM SINGAPORE

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

A day to explore on your own provides an opportunity to indulge in neighbourhood street food, or perhaps venture to the Long Bar at Raffles Hotel for an authentic Singapore Sling.

Another day will introduce many of **Singapore's religious and cultural landmarks** along Waterloo Street, including the **Kwan Im Thong Hood Cho Temple, Maghain Aboth Synagogue, Sculpture Square and Sri Krishnan Temple**. Spot relics of Singapore's colonial past on a drive through historic Padang. Wander the aromatic alleyways of Chinatown, perhaps stopping for a lunch of famous Singapore Chili Crab.

Singapore's modern history began with the establishment of a British East India Company trading post at the Singapore River in 1819. **A sightseeing trip on the river** will guide you past "godown" warehouses and colonial-era bridges plus glittering landmarks such as the **Esplanade, Marina Bay Sands and symbolic Merlion statue**.

Your day trip to Singapore's ultra-modern **Gardens by the Bay** is sure to delight and amaze. This 101 hectares waterfront testament to Singapore's environmental sustainability is a **botanical fairyland** of over 1.5 million plants, space-age biodomes, and 'supertrees' that burst into light every evening. The two biodomes – Flower Dome and Cloud Forest -- replicate dry Mediterranean climates found across the world and the cool-moist climate of the Tropical Montane region, respectively. A collection of extraordinary sculptures heightens the park's whimsical milieu.

The three buildings that form the Marina Bay Sands Hotel are perhaps Singapore's most iconic structures, so a visit to the hotel's **SkyPark Observation Deck** is a must. From 57 stories up you'll enjoy stunning views of Singapore's cityscape, the architectural wonders of Supertree Grove, and the city's bustling shipping lanes.

Luxury hotel stays, transfers, select meals and tours included.

CAPE TOWN ON YOUR OWN

3 nights FROM CAPE TOWN, SOUTH AFRICA

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

You're free to explore Cape Town's celebrated culinary scene, whether at a high-end restaurant, stylish café, or a traditional British pub for fish and chips, a Cape Town staple. Your second day in Cape Town brings more freedom to **explore this unique city at your own pace**. The **Victoria and Alfred Waterfront** is a natural starting point, its remarkable collection of 450 stores selling everything imaginable and more than 80 restaurants serving cuisines from North Indian to African to classical Japanese. It's also **home to the Two Oceans Aquarium**, where you can see a gallery of marine life native to the Indian and Atlantic oceans, which famously meet off the South African coast.

Cape Town begs to be seen, of course, and **you may do so via an open-top bus tour or cable-car to the top of Table Mountain**. Robben Island, a symbol of the "triumph of the human spirit over adversity, suffering, and injustice", houses a popular museum (advanced online reservations are required). Early in the evening, you will **be transferred to Stellenbosch in the Cape Winelands**, a famed wine-producing region, for a **lovely welcome dinner featuring local produce and wines**.

It won't be easy to venture from Cape Town's sublime urban landscape, but if you do you'll be rewarded with a spectacular coastal drive to a darling **Penguin colony at Boulder's Beach** and the dramatic cliffs and seascape at Cape Point and the Cape of Good Hope. In the evening, you'll transfer to a **local restaurant for dinner and live entertainment**.

Luxury hotel stays, transfers, select meals and tours included.

WINELANDS AND WILDLIFE

3 nights FROM CAPE TOWN, SOUTH AFRICA

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

Spend a relaxing evening exploring Cape Town's classic dishes, from traditional fish and chips to Cape Malay curry to sweet melktert.

You'll depart Cape Town for **a day trip to the Cape Winelands**, a region spread across 103 600 square kilometres set below the dramatic Hottentots Holland Mountains. At one of the Western Cape's more than 900 estates, **you'll indulge in a formal wine tasting**. Charming towns abound, none more so than **Franschhoek, one of the oldest towns in the Republic of South Africa** and home to the Huguenot Memorial and Museum. Another is **Stellenbosch, "Town of Oaks"**, which dates back to 1679 and is renowned for Cape Dutch-style architecture and leafy streets so beautiful, several have been declared national monuments.

On another immersive day, **you'll meander through the scenic Hex River Valley** on a drive to the **Aquila Private Game Reserve**. Located amid a natural wetland and magnificent mountain range, it's a particularly picturesque place to **spot Africa's Big Five** (lion, leopard, rhinoceros, elephant, and Cape buffalo) from 4x4 safari vehicles. Experienced ranger guides will bring you near large herds of zebra, black and blue wildebeest, red hartebeest, warthog, eland, springbok, blesbok, and gemsbok, while a wide array of birds fly overhead.

Not to be missed, you'll travel a gorgeous coastal road to the **Cape of Good Hope Nature Reserve**, home to 1,200 species of indigenous plants, various mammals, and South Africa's largest bird – the ostrich. A stop at **Boulder's Beach** will provide a delightful encounter with the African Penguin in its natural habitat.

Luxury hotel stays, transfers, select meals and tours included.

SYDNEY ICONS

3 nights FROM SYDNEY, AUSTRALIA

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

A full day in Sydney is a feast for the eyes. You'll get perfect vantage points via a luxury coach of the Sydney Harbour Bridge, a national icon since 1932, and the beloved Opera House, world-famous since its unveiling in 1973. You'll find immediate calm at the **30 hectares Royal Botanic Garden**, where an Aboriginal guide will describe how the indigenous Cadigal people used plants for various purposes. (You may also sample bush foods.) A visit to the **observation deck of the Sydney Tower** will provide the ultimate viewpoint of this photogenic city, and a **trip to the glistening sands of Bondi Beach** will quickly make you envy the Aussie lifestyle.

Australia's most famous icons just may be indigenous species like kangaroos, koalas, and wombats, and **a day visit to Taronga Zoo** will bring you up close to these furry Aussie legends. Situated across the harbour from the Sydney CBD (Central Business District), the zoo offers more spectacular views of Sydney's skyline and waterways. On an **exclusive tour of the Opera House**, you'll learn the dramatic story behind its extraordinary design and why UNESCO deemed it a World Heritage site in 2007. **A sumptuous dinner on a cruise of Sydney Harbour at night** is almost an embarrassment of riches.

One of your days is left to your imagination. Road trip to **the Blue Mountains**, a stunning World Heritage site? A water ferry to iconic Manly Beach? Sydney Harbour Bridge climb? Whatever you choose, you'll never forget it.

Luxury hotel stays, transfers, select meals and tours included.

NEW ZEALAND'S NATURAL WONDERS

3 nights FROM AUCKLAND, NEW ZEALAND

Available as a pre-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

An orientation tour of Auckland will leave you slack-jawed in a city built upon more than 50 long-dormant volcanoes. You'll also drive the city's hilly streets, taking in the **Greek temple-like Auckland War Memorial Museum** within the bucolic Auckland Domain.

You'll visit Auckland's rugged west coast, where the Tasman Sea pounds black sand beaches that enchant with untamed beauty. From a viewing platform at spectacular **Muriwai Beach**, you'll see one of only two mainland gannet colonies in the world. If you're lucky you'll witness these legendary aeronauts diving for fish. After a picturesque drive through rural farming districts, enjoy **wine tasting and lunch at a local wine estate** known for producing Sauvignon Blanc grapes. Back in Auckland City, you'll be free to explore a diverse range of dining options, or perhaps take a ferry to quaint Devonport across the harbour.

Heading south on another day of exploration, you'll **descend into the Waikato River Valley**, where you'll follow the course of the river through fertile farmlands and **past Mount Taupiri (a sacred Māori burial ground)** and the town of **Ngaruawahia, the seat of the Maori King**. A guided **tour of the Waitomo Glow-worm Caves**, a true geological phenomenon, will amaze. Unique to New Zealand, these tiny creatures radiate a fluorescent blue-green glow that illuminates the caves and underground streams the glow-worms call home. At **Otorohanga Kiwi House and Native Bird Park**, view a rarely seen kiwi, New Zealand's national icon.

Luxury hotel stays, transfers, select meals and tours included.

AUTHENTIC BUENOS AIRES

3 nights FROM BUENOS AIRES, ARGENTINA

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

Begin your exploration by heading out for some *choripan*, a perfect combination of bread and chorizo, with perhaps a glass of Torrontés, the only wine variety native to Argentina.

Venturing outside the city brings a truly unique experience that harkens back to legends of the Spanish-American wars of independence. You'll travel to the countryside outside of Buenos Aires and **be hosted by the owners of a traditional estancia ranch** that's home to the gaucho, the 'cowboys of Argentina'. With tales of yesteryear hanging in the air, you'll **be served a hearty lunch of grilled meats with empanadas** washed down by a selection of **fine Argentinean wines**. Sit back and enjoy folk songs and dances before being privy to a **demonstration of impeccable horse-riding skills** and the indomitable spirit of the gaucho.

To ensure you experience its cosmopolitan charm, a **half-day sightseeing tour of Buenos Aires** will immerse you even further. You'll get off to a technicolor start in **La Boca**, a phenomenally vibrant neighbourhood centred around **El Caminito**, where cobblestones and rainbow colours make it an open-air museum of sorts. After passing the elaborately adorned Metropolitan Cathedral you'll come upon Casa Rosado, the pink-tinted presidential palace from which Argentine president Juan Perón and his wife Eva, better known as **Evita**, addressed their devoted throngs in the late 1940s and early '50. While exploring the **affluent neighbourhood of La Recoleta** you'll pay a visit to Café Tortoni, a Buenos Aires landmark since 1858.

Later in the evening, you'll **be dazzled by an authentic tango performance over dinner**. Regardless of your fluency in Spanish, you won't need to speak the language to feel tango's universal passion.

Luxury hotel stays, transfers, select meals and tours included.

CHILEAN WONDERS AND WINE

3 nights FROM SANTIAGO, CHILE

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

Acquaint yourself and get a feel for Santiago on a neighbourhood stroll, perhaps dining at one of the city's cozy sidewalk eateries.

A full-day tour awaits you in Chile's capital, Santiago. A sophisticated city steeped in history and culture, you'll see the stately **Palacio De La Moneda** (Presidential Palace), 19th-century San Francisco Church, picturesque **Plaza de Armas**, and the Metropolitan Cathedral, a true historical treasure. Staggering barely describes the view you'll get from San Cristobal Hill, which includes proximity to a nearly 15 metres Virgin Mary statue that overlooks the city.

Chile is currently the fifth largest wine producer in the world, but the beauty of its wine country is unrivalled. You'll see (and taste) for yourself at **Santa Rita Vineyard**, founded in 1880 and instrumental in the development of Chile's wine industry. **Lunch at Restaurant Doña Paula in the vineyard's 'old house'** will reveal the story of Paula Jaraquemada (1768-1851), who passionately supported the Chilean army in its war for independence against Spain by supplying troops with supplies, even hiding 120 soldiers in the house's basement. Salud Lady Paula!

Spend the next day climbing **the Andes – by coach**, of course. On an unforgettable ride past spectacular mountain scenery and fertile valleys, you'll **climb 2 853 metres above sea level to the ski resort of Portillo** and adjacent emerald green waters of Laguna del Inca. A delicious lunch will be an afterthought among such splendour.

You'll also enjoy **a day visit to seaside Valparaiso**, a World-Heritage site due to hillsides of colourful colonial architecture that have inspired generations of poets, painters and would-be philosophers.

Luxury hotel stays, transfers, select meals and tours included.

A PASSION FOR RIO

3 nights FROM RIO DE JANEIRO, BRAZIL

Available as a pre- and post-cruise land programme

WHAT YOUR GUESTS WILL EXPERIENCE...

To begin, get a feel for the rhythm of Rio and perhaps a taste of authentic Brazilian *picanha* (barbecued meat).

One of your days will take you into the heart of **Rio's historic downtown area**. Few buildings live up to their names quite like Spanish architect **Santiago Calatrava's Tomorrow's Museum**. It's one of many structural gems you'll admire on a tour of Rio's intriguing architecture that includes the imposing **Metropolitan Cathedral**, gorgeous **Saint Bento Monastery**, and **spectacular Opera House**. Few can resist the call of Rio's celebrated beaches, and you'll be free to explore on your own as the late-afternoon sun makes the sand glow and the city starts to sway.

During another day of exploration, you'll drive to Praia Vermelha for a **cable-car ride to Sugarloaf Mountain**, a 396 metres granite and quartz peak named for its resemblance to sugar that was shaped into loaves for transport in the 19th century. The two-stage ride stops at the lush, fragrant gardens and **scenic lookouts of Urca Hill**. It continues to the very top of Sugarloaf, 396 metres above sea level, where the brave are rewarded with mesmerising views of the mouth of Guanabara Bay and the Atlantic Ocean, densely vegetated mountains, and, of course, magnificent Rio itself.

Regardless of how far up Sugarloaf you travelled, a **typical Brazilian BBQ lunch** will be served to all before the return to downtown Rio. You'll **visit a samba school** for a backstage look at what goes into the creation of the lavish costumes and colourful floats featured in Rio's famed Carnival.

Luxury hotel stays, transfers, select meals and tours included.
